

# **APEX DYNAMICS**

*Precision Gear Solutions for Automation*

## **Coronavirus Update**

### **Apex Dynamics USA Operations Continue**

#### **To all our valued distributors, customer and sales representatives-**

The health and safety of our employees, community and business partners is of the utmost importance. As a preventative measure against the COVID-19 virus, and in accordance with New York State directives, we have reduced employee interactions and have personnel working remotely where possible. With the official designation by the state as an essential business, we continue to operate with staff necessary to sustain uninterrupted.

Our phones are open 8 am - 5 pm EST Monday Thru Friday with all of our engineers available to support your needs. We can be reached at 631-244-9040 on email for general inquiries at [sales@apexdynamicsusa.com](mailto:sales@apexdynamicsusa.com)

All face-to-face interactions are discontinued until further notice. We are available for web based meetings by appointment.

Our production department is continuing to ship product to fulfill your orders. Our supply chain has remained unaffected to this point, with little to no delays. Our Taiwan factory has no influence of coronavirus and delivery continues as normal.

For any orders or applications involving food production and processing, supply chain, medical devices, pharmaceutical, etc., that are urgent and related to the current situation, please contact our office. We will prioritize these cases and work to complete them in the shortest possible time. Our manufacture to stock facility has the highest production efficiency in the industry, which we will focus on these priority orders.

We hope that you, your co-workers, and loved ones stay safe and healthy. For any individuals that have become ill, we hope for a safe and speedy recovery.

---

Sincerely,

*Stephen R.W. Buckley*
