

## Steel City®

**NEW!**

### Stainless Steel Pipe Straps

Thomas & Betts offers stainless steel pipe straps to support and securely fasten rigid, IMC and EMT conduit. One and two-hole stainless steel straps are ideal for industrial applications such as petro-chemical plants, manufacturing plants, pulp and paper mills, food processing, power plants, refineries and mining operations. Steel City® stainless steel pipe straps are also useful in commercial applications in schools, hospitals, office buildings, airports, casinos and stadiums. To order, contact your local Thomas & Betts authorized distributor and ask about the complete offering of Steel City® straps, clamps and hangers.

- Higher degree of corrosion resistance than traditional zinc plated or hot-dipped galvanized straps
- One and two-hole straps for EMT sizes ½" through 2"
- One and two-hole straps for Rigid & IMC size ½" through 4"
- 303 Stainless Steel
