

7770

UPC Code: 07847782258

Country of Origin: China

Brand Features

Leviton's full line of Raintight and Weather Resistant Covers are ruggedly constructed to seal out moisture, dust, debris and insects, while providing easy access to receptacles. Industrial Grade covers are designed for rugged conditions. Their sturdy, gasketed covers mount vertically or horizontally. Leviton makes two innovative Raintight While-in-Use Covers: telescoping and metal. Designed for decks, patios, porches and similar locations, they're more than a match for the vagaries of weather. The telescoping cover sports a low-profile when in the contracted position, while the metal cover features a self-closing lid made of powder-coated cast zinc. Leviton Weather Resistant Covers let homeowners use power tools, trimmers, sprinkler systems and pumps with confidence and safety. They're also ideal for outdoor security, landscape, accent and holiday lighting.

Item Description

1-Gang, 2.15 Inch Dia. Cover Plate for 50A Single Receptacles, Cast Aluminum, Weather-Resistant, FS Box Mount, Vertical Self Closing Lid

Technical Information

Material Specifications

Material: Powder Coat Cast Aluminum
